

Grade 4

We have completed
another week in Mr. O's
class, and I am going
to discuss my learning
in this essay.

My favorite thing
was when I past my
eight's on a thirty
second test and I
past. I also liked when
Mr. O showed a video
about old town Portland.
I found some
difficulties this week
and they were spelling,
and this division test
that was to see if you
are tag.

For me to do
well next week I
need to practice
my lines to twelve
in thirty seconds.

This week in Mr. O's
class was great I
hope to have an even
beter week next week.
